

Anonymous Mid-term Evaluations
CENG 340–Introduction to Environmental Engineering
Instructor: Deborah Sills
In Class: September 23, 2013

Things I should stop doing:

What am I doing that is inhibiting your ability to learn?

Things I don't do that I should start doing:

What am I not doing that may enhance your learning?

Things I should continue doing:

What am I doing that is helping you learn?
